

## QUALITY POLICY STATEMENT

At SeaVentures Oil & Gas Services Ltd., we are committed to delivering safe, reliable, innovative, and high-quality services that consistently meet and exceed the expectations of our clients within the Oil & Gas, Marine, Offshore Security, Logistics, and Engineering sectors.

We recognize quality as a critical driver of operational excellence and sustainable growth. Therefore, we are dedicated to:

1. Providing services that comply with applicable statutory, regulatory, industry, and client requirements.
2. Maintaining the highest standards of professionalism, integrity, safety, and environmental responsibility in all our operations.
3. Developing competent personnel through continuous training, empowerment, and performance improvement initiatives.
4. Utilizing effective risk management and quality control processes to ensure efficiency, reliability, and customer satisfaction.
5. Promoting a culture of continual improvement across all areas of our business and Quality Management System.
6. Building long-term partnerships with clients, stakeholders, and host communities through transparency, accountability, and service excellence.
7. Leveraging modern technology, innovation, and best industry practices to enhance operational performance and service delivery.

Management and employees of SeaVentures Oil & Gas Services Ltd are fully committed to implementing, maintaining, and continually improving this Quality Policy and ensuring that quality objectives are established and achieved at all levels of the organization.
